

## Memorandum

To: Jarrettsville Recreation Council (JRC) Participants, Coaches, Board Members and Program Chairpersons

From: JRC Board of Directors

Subject: COVID-19 Notification Procedures

---

The following notification procedures for COVID-19 requirements must be followed by all coaches, volunteers, participants and families at any Harford County Parks & Recreation facility used by Jarrettsville Recreation Council (JRC) or its associated programs until further notice. When JRC is made aware of a child or volunteer that tests positive for COVID 19, who has participated in JRC coordinated activities, the following guidelines must be adhered to in line with all CDC and State of Maryland Guidance:

- The coach of the team will timely notify the parents of all teammates and volunteers of the potential for exposure **while ensuring and protecting confidentiality.**
- If the child or volunteer who tested positive for COVID 19 has any siblings or children who participate in more JRC activities, the coach will notify the siblings' coaches as to promote further awareness.
- The JRC Board will be included on all correspondence and the health department may be contacted to secure guidance on any additional tracing steps recommended or required.
- The individual and all other children and volunteers in the household, must refrain from participating in any JRC activity for 10 days in line with State and CDC guidance. It is also recommended that all players or volunteers with potential for exposure should refrain from any organized play for 10 days.
- The child's team will not participate in any JRC games or practices on JRC property for 10 days following the most recent interaction with confirmed child or volunteer.
- The JRC Board suggests that the parents of teammates consult their primary care physician about next steps, prior to their son/daughter returning to play.

For additional questions related to the above procedures, please contact Mike Freund, President of Jarrettsville Recreation Council at: [jarrettsvillebaseball4@gmail.com](mailto:jarrettsvillebaseball4@gmail.com)
